Sept. 17, 2006

Dear Counselor:

The South Florida Black Journalists Association will be awarding a \$1,500 scholarship to college-bound seniors who show promise in becoming professional journalists.

We need your help in identifying students from your school to apply for the Rochelle Bridges Memorial Scholarship. This award is for graduating high school students in Miami-Dade and Broward counties. This year we will offer awards in two categories: print/broadcast (reporters, copy editors, producers and on-air talent), and graphics/visual arts (photography, graphic design, web design).

Please help us locate the strongest candidates possible to consider for this award. Enclosed are applications and instruction sheets. The deadline to apply is March 15, 2007.

Thank you for your help in this endeavor.

Jacqueline Charles, chair  
SFBJA Scholarship Committee
